

## **Trade-In T&Cs – In-Store**

1. Actual trade in value will vary dependant on device.
2. Offer only available in store.
3. If you trade in your old item ("Device") you will be eligible to receive trade in value in the form of a Currys PC World electronic gift card "eGift Card".
4. You will be deemed to have accepted these terms and conditions ("Conditions") when you provide us with the Device. If you have any questions relating to these Conditions please ask in store before completing the trade in process.
5. You confirm you are either the owner of the Device or you have obtained express permission from the rightful owner to trade it in.
6. Devices must not be older than 7 years.
7. Devices must meet the stated criteria for working or non-working devices, and if any of the criteria is not met, trade in may be refused.
8. The Device must not be stolen or listed with us or a third party as stolen. For some items (e.g. mobile phones) we will check the Device with CheckMEND, from the suppliers of IMMOBILISE as used by UK Police forces to trace stolen and missing property. If the Device fails any due diligence check we may notify the relevant police authority and we may pass the Device and your details to them and the eGift Card value may be cancelled or recovered.
9. If the Device contains any additional accessories (eg. memory cards or additional console controllers), you must remove these prior to trade in. We will not be liable for any consequence of you not removing the accessories, including any payments associated with the Device.
10. If there is data stored on the Device you wish to retain, it must be saved elsewhere and you must remove any memory card and/or all data that has been put onto the Device prior to trade in. We will not be liable for any damage, loss or erasure of any such data or for any consequence of you not removing your data or memory card, including use or disclosure of such data.
11. The eGift Card may be used as part or full payment in a Currys or PC World store. There may be restrictions on the items against which the eGift Card may be redeemed, where this is the case you will be informed in advance and the eGift Card will specify the restriction. Any balance remaining on the eGift Card expires after 2 years.
12. The eGift Card cannot be exchanged for cash.
13. Once you have traded in the Device, it becomes our property and it will not be possible to retrieve it under any circumstances.
14. These Conditions are governed by English Law.
15. We reserve the right to amend the terms and conditions or discontinue the card at any time. This does not affect your statutory rights.
16. DSG Retail Limited, 1 Portal Way, London W3 6RS, registered in England, No.504877.
