WARNING! READ THE FOLLOWING BEFORE STARTING INSTALLATION

- Assembly is required. Installation must be carried out by qualified personnel only. Incorrect assembly can result in severe personal injury and property damage.
- The supplied TV bracket is only for use on vertical walls constructed from solid brick, solid concrete, solid wood and solid wooden columns.
- It is the installers' responsibility to verify that the wall will safely support the total load of the TV and the TV bracket. Never exceed the designated maximum TV load.
- Parts are heavy; take care when handling. For some steps, 2 people are required for installation.
- Check the TV bracket frequently to ensure that it is safe and secure. Additional tools (not included) are required for the installation. Do not over-tighten screws.
- Keep this instruction manual for future reference.
